C.A.R.E. Locum Tenens Coverage & Vacation Requests

- During the registration process, each attendee will indicate if his or her practice will need locum tenens coverage based on attendance. If this is indicated, this information will be sent to the recruiting team at the time of registration to prepare to secure coverage.
- Attendee registration will be closely monitored to ensure there are no gaps for practices where locum tenens coverage was not selected during registration.
- We will work closely with the Operations team to triage coverage requests as appropriate.

Operations must approve all attending dentist vacation requests that immediately precede or follow the C.A.R.E. Conference dates (October 6 – 9).
